OFFICE OF THE SENIOR DEPUTY INSPECTOR GENERAL OF POLICE

SOUTHERN PROVINCE-(Nupe, Matara)

Mr.Chandra Fernando,
The Chairman,
National Police Commission.

Dear Sir

A Malicious, Unreasonable, Unjustifiable Transfer

It has been revealed that the Minister In Charge of Public Security, Hon. Tiran Alas has instructed Inspector General of Police to transfer me to the Eastern Province and the decision of the Minister is malicious, arbitrary and unreasonable.

Hon. Tiran Alas held a conference on 18th of April 2023 for all Senior Deputy Inspectors General of Police, and he reprimanded about a letter prepared by me on instructions of IGP. Further he impliedly accusing me about social media reports related to IGP post which were being circulated in cyber space and an indication was given that I would be transferred.

After the conference, I was summoned to his office and informed me that the South was not under control. If the minister is correct, I invite the members of NPC to scrutinize and search crime statistics, shooting incidents, and other activities related to police happened in Southern and Western Provinces in comparison. The minister does all these malicious acts to harass us and to protect one SDIG.

Therefore, it would be grateful, if the National Police Commission would look into my issue in not approving the malicious recommendations in respect of my transfer Please.

Ajith Rohana,
Senior Deputy Inspector General of Police
